Return to Compliance (Notice of Violation dated 1/29/07)

Dear Mr. Jackson:

Thank you for your cooperation in resolving the complaint of open dumping of solid waste at your property located at 1671 Sipps Lane, Butler County, Ohio.

Please be advised that it is the property owner's responsibility to cleanup any solid wastes including but not limited to scrap tires and/or construction and demolition debris that may be illegally dumped on site.

On July 12, 2007, Monte Bluebaum and I representing Ohio EPA, Division of Solid and Infectious Waste Management inspected the site to verify that the clean up had been completed. Solid wastes have been removed from this property. The violations previously described in the Notice of Violation letter, dated January 29, 2007, have been abated.

Previous inspection photos taken on January 12, 2007, are provided below. Please continue routine policing of the property to help avoid future violations.

Thank you for your efforts in correcting the violations of Ohio's solid waste rules and laws. If you have any questions, please contact me at (937) 285-6046.

Sincerely,

Maria Lammers, R.S.
