RE: 9150 Group, LLC

Financial Assurance
Notice of Violation

Dear Mr. Karl:

On March 25, 2008, I completed a review of the financial assurance documentation file for the 9150 Group, LLC's (9150) facility referenced above. I evaluated the facility for compliance with financial assurance and liability requirements set forth in the Ohio Administrative Code (OAC) rules 3745-55-42, 3745-55-43 and 3745-55-47.

In addition I evaluated the facility for compliance with the financial assurance requirements set forth in the Consent Order, State of Ohio V. Aerosol Systems, Inc. and Flanner, Case No. CV-884-1014, Summit County Court of Common Pleas, dated July 9, 1990.

To demonstrate compliance with financial assurance and liability rules, 9150 uses a Trust Fund administered by J. P. Morgan (Account # 380660) established August 7, 1990.The value of the trust, as of February 29, 2008, was $249,077.94. No other current closure financial documentation for the above referenced facility has been received by the Ohio EPA.

Upon review of the financial assurance documentation, the following violations were found:

OAC 3745-66-42 (A) requires that the owner or operator must have a detailed written estimate, in current dollars, of the cost of closing the facility in accordance with the requirements in rules 3745-55-11 to 3745-55-15 of the Administrative Code**OAC 3745-66-42(B)** and Consent Order paragraph 5(b) require written updates for inflation of the closure costs within the 60 days prior to the anniversary date of the financial assurance mechanism.

If you have any questions, or need further clarification of any matter mentioned in this letter, please do not hesitate to call me at (614) 644-3067. I will be happy to assist you in any way possible.

Sincerely,
