Dear Mr. Forelli:

On July 6, 2011, I conducted a pre-permit/reconnaissance inspection of the coal barge loading facility at the Ohio Valley Transloading Company in Powhatan Point, Ohio. Farley Wood, Fred Blumling, Dave Washinsky, Crellin Scott and Cody Mozena represented the company on the inspection. A copy of the inspection form is attached.

The NPDES permit has been drafted and will be public noticed in the next 2 weeks. A copy will be sent to the applicant. Once the draft permit is public noticed there is a 30 day comment period. Please review the draft permit and provide any comments during this period.
