RE: STANFIELD PLACE, 31 STANFIELD ROAD, TROY, OHIO

Dear Mr. Roush:

On November 8, 2010, I conducted a large generator of infectious waste re-inspection at the above mentioned facility in the presence of Deanne Rhoades. This inspection was conducted in order to determine compliance with Ohio Administrative Code (OAC) 3745-27, specifically rules governing large generators of infectious waste and compliance issues noted in the August 2, 2010, correspondence from the Ohio EPA. The noted violations from the July 21, 2010 inspection were corrected.

If you have any questions please contact me at (937) 285-6094.

Sincerely,

Jill Olberding
