Kirtland, Ohio 44094

Dear Mr. Snider:

Thank you for your June 18, 2012 response to Ohio EPA's April 4, 2012 Notice of Violation letter. The documentation you submitted included a statement that Snider Precision Auto has chosen to recycle its universal waste lamps and has chosen a recycler. I have enclosed a copy of an Ohio EPA guidance document entitled "Fluorescent Lamps: What You Should Know" to aid you in the proper management of these lamps.

My review of this documentation reveals that Snider Precision Auto-bodyworks has now abated the violation discovered during the March 27, 2012 inspection as listed below.
