Dear Mr. Glover:

On October 18, 2011, I conducted an inspection of your facility in Ross County. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. As a result of the inspection, I have the following comment:

Your facility could not be located. I am unsure if the project has started or has been completed. Please provide me with an update of the projects status.

If you have any questions, please contact me at (740) 380-5277.

Sincerely,

Aaron Wolfe
