Subject: Rescinding Violation – TCR

Dear Mr. Schmidt:

Your public water system was issued a notice of violation of Rule 3745-81-21 of the Ohio Administrative Code (OAC) for the third quarter monitoring period of 2012. The sample was collected on September 24, 2012, but the result has since been changed from a special purpose sample to a routine sample, thereby meeting the monitoring requirements for the third quarter of 2012.

The violation has been rescinded and the public notice sent with the notice of violation referenced above, does not need to be issued at this time.

Please ensure future sample results are submitted as required. If you have any questions, please contact me at (937) 285-6476.

Sincerely,

Robert A. Moore
