Dear Mr. Schultz:

On June 27, 2012, I conducted an inspection of your facility. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. As a result of the inspection, I have the following comment:

Your facility appeared to be in compliance with the General Construction Storm Water Permit that has been issued to you by the Ohio EPA. Please continue to implement permit requirements in the future.

If you have any questions, please contact me at (740) 380-5447.

Sincerely,

Joe Cook
