Re: Guernsey County
Sleep Inn Cambridge
Storm Water Construction Activity
Permit 0GC01980*AG

Ms. Megan Bradison
PKH Cambridge Hotel II LP
P.O. Box 570
Boalsburg, PA 16827

Dear Ms. Bradison:

On June 14, 2013, I visited the site located on Southgate Parkway that has a construction storm water permit with the Ohio EPA. The purpose of my inspection was to determine the compliance of this site with the National Pollutant Discharge Elimination System (NPDES) permit for discharges of storm water associated with construction activity. The inspection was conducted under the provisions of Ohio's water pollution control statues, Ohio Revised Code (ORC) Chapter 6111.

No violations of the terms and conditions of the permit were discovered. Please continue to implement permit requirements as construction continues.

As a reminder, if your project disturbs more than five acres you are required to implement post construction water quality volume storage requirements with permanent storm water management structures as required by the permit.

If there are any questions, please contact Aaron Wolfe at (740) 380-5277 or me at (740) 380-5447.

Sincerely,

Joe Cook
Storm Water Section
Division of Surface Water
