# NOTICE OF VIOLATION

The City of Toledo Division of Environmental Services (TDOES) hereby serves notice that:

Sanitary Cleaners
Premise Number 0448031060
225 Golden Gate Plaza
Maumee, Ohio

has violated the following environmental laws, orders, rules, or regulations on the indicated date at the above address.

Dates of Violations
03/24/2009

| **Regulations Violated** | **Description of Violations** |
|---|---|
| 40 CFR Part 63.322(k) and 63.324(d)(1),(2) and (3); 40 CFR Part 63.323(a)(1)(i) and 63.324(d)(5); Permit to Operate (PTO), terms Part II., sections C. 1., C.3. and C.4.<br>Monitoring and/or Record Keeping Requirements<br><br>Components listed in section C.1. of the PTO shall be visually inspected each week by the permittee.<br><br>C.3. The permittee shall monitor the refrigeration system high pressure and low pressure during the drying phase or the temperature at the outlet on a weekly basis.<br><br>C.4. The permittee shall monitor the volume of PCE purchased each month, including zero gallons, and monitor the 12-month rolling summation. | On March 24, 2009 during a facility inspection the operator at this facility did not keep a log of the required weekly visual inspections.<br><br>On March 24, 2009 during a facility inspection the operator at this facility did not monitor and keep a log of the recording of the refrigeration system high pressure and low pressure.<br><br>On March 24, 2009 during a facility inspection the operator at this facility did not keep a log of the monthly PCE usage (including zeroes) and of the 12-month rolling summation of PCE. |
| 40 CFR 63.322(o) and PTO, Part II, section C.2.<br><br>C.2. Once a month, the permittee is to conduct the inspections of the dry cleaning equipment using a halogenated detector or PCE gas analyzer. | On March 24, 2009 during a facility inspection the operator at this facility did not keep a log of the halogen leak detector monthly checks of the dry cleaning equipment. |
| 40 CFR 63.324(f)<br><br>The permittee was to submit a notification of compliance by registered mail on or before July 28, 2008. | To date, this notification was not received. |

The above violation(s) may subject the violator to **penalties** of up to $25,000 per violation. It is possible that a penalty will be assessed in this case. If a penalty is to be assessed, the amount will be determined after your response is reviewed.

## Required Actions

Within fourteen (14) days of receipt of this Notice of Violation, the permittee shall:

1. Abate the violations or provide for an acceptable remedy.

2. Reply in writing to this Notice of Violation within fourteen (14) days of receipt. The reply shall include:

   a. descriptions and dates of actions taken thus far to abate the violation(s);

   b. descriptions and expeditious time schedule of actions yet to be taken to remedy the violation(s); and

   c. descriptions of actions taken or to be taken to prevent recurrence of the violation(s).

## Recommended Remedial Actions

It is recommended that you consider the following suggestions:

- Implement all monitoring, recordkeeping, reporting and testing requirements of the Permit to Operate at Sanitary Cleaners.
- Implement the additional requirements of the amended MACT, 40 CFR 63, subpart M, in particular Parts 63.322(o) and 63.324(f).
- Use the halogenated hydrocarbon detector at least once a month and count as one of the weekly visual inspections.

Your written response regarding this **Notice of Violation** shall be directed to Bob Lopez, Senior Environmental Specialist, City of Toledo, Division of Environmental Services, 348 S. Erie Street, Toledo, Ohio 43604. If you should have any questions or need additional information concerning this matter please feel free to contact me at 419-936-3765 or via e-mail to Robert.Lopez@toledo.oh.gov.
