Environmental Department
BP Products North America Inc.
PO Box 6038
Artesia, CA 90702

Dear Mrs. Lees-Yohe:

Our Agency is in receipt of the test results submitted by Tanknology for the following BP gasoline dispensing facilities:

Date	Site	Address	City
1/14/09	22471	4100 Medina Road	Akron
1/14/09	22329	1614 Merriman Road	Akron
1/16/09	22233	3050 Graham Road	Stow

Upon review, these test results are accepted as received and will be included in the Operating Files for these facilities. **However, BP Products North America Inc. is in violation of OAC rule 3745-21-09 (DDD)(2)(c) which requires that the results of Stage II testing be submitted to the Ohio EPA or its delegated local air agency within thirty days following the completion of the tests.** The test results for these locations were received March 11, 2009.

Full compliance testing, as conducted at these facilities, must be performed again within five year intervals according to the testing requirements of OAC rule 3745-21-09 (DDD)(2)(a)&(b). These facilities will be due for **full testing** on or before **1/14/14 for Sites #22471 & #22329 and 1/16/14 for Site #22233.** Notification of testing is required as before, as well as reporting requirements.

I would also like to remind you that the Static Leak Test and A/L testing as specified within the CARB Executive Orders and/or this Agency must be performed annually, not to exceed one year from the last test performed. You are required to notify us before testing, and the results of the annual performance test are to be submitted within thirty (30) days of the test's completion.

If you have any questions, please contact me at (330) 375-2480 x6053.

Sincerely,

Susan Anderson
