Dear Mr. Hill:

On July 6, 2011, I conducted a reconnaissance inspection of Bellaire Corporation's Powhatan Mine #1 at Cove Run. You accompanied me on the inspection. The purpose of the inspection was to review work progress on the site and to evaluate the facility's compliance status with the terms and conditions of the NPDES permit, federal number OH0011541, state number 0IL00041\*AD. A copy of the inspection form is attached.

The NPDES permit is expired. The company has submitted an updated renewal application. The NPDES permit renewal has been drafted and will be issued draft in the near future.

If you have any questions, please contact me at (740) 380-5284 at your convenience.

Sincerely,
