Dear Mr. Wallace:

Thank you for your September 21, 2007, response to Ohio EPA's August 22, 2007, Notice of Violation letter. The documentation you submitted included documentation that you have received an EPA ID number for your site, a copy of the emergency posting placed by your phone, a manifest showing your new ID number, a photo of the posting by the phone and a photo of the fire extinguisher. You also stated you are recycling your fluorescent bulbs.

My review of this documentation reveals that Swan Cleaners has now abated all violations discovered during the August 22, 2007, inspection as listed below.
