Dear Mr. Smith:

On December 22, 2008, I conducted an inspection of your 855 Coshocton Rd. facility in Mt. Vernon, Ohio to determine its compliance with Ohio's hazardous waste laws and Used Oil Rules as found in Chapter 3734 of the Ohio Revised Code (ORC) and Chapter 3745 of the Ohio Administrative Code (OAC). I sent you a Notice of Violation (NOV) letter on January 14, 2008 specifying the violations observed during the inspection. I returned to the facility on April 27, 2009 to do a facility walk through.

Upon completing this walk through you have demonstrated sufficient abatement of all violations discovered during our December 22, 2008 inspection.
