Dear Mr. Neely:

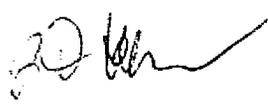

Thank you for your May 6, 2008, response letter to Ohio EPA's April 21, 2008, Notice of Violation letter. Arboris' timely communication and actions to return to compliance are greatly appreciated. You provided evidence of corrections related to:

Accumulation Start Date Marking, OAC rule 3745-52-34(D)(4): The container in question has now been properly marked.

My review shows you have adequately demonstrated abatement of the violation discovered at Arboris' Newark facility during the March 20, 2008, inspection.

Should you have any questions now or in the future relating to your hazardous waste compliance, please feel free to call me at (614) 728-3885.

Sincerely,

J. David Hohmann
