Dear Ms. Sevy:

Thank you for your March 18, 2011, e-mail response and April 7, 2011, written response to Ohio EPA's March 15, 2011, Notice of Violation letter. The documentation you submitted on March 18<sup>th</sup> included photographic documentation demonstrating that the drum of waste perc had been properly labeled as "Hazardous Waste." A Best Management Practice procedure to ensure that the daily facility inspections are being completed as required by Clean Harbors' permit application was included with the April 7<sup>th</sup> written response.

My review of this documentation reveals that Clean Harbors Recycling Services of Ohio, LLC has now abated all violations discovered during the March 8, 2011 inspection as listed below.
