Dear Ms. Sevy:

Thank you for your October 22, 2009 response to Ohio EPA's September 28, 2009 Notice of Violation (NOV) letter. The documentation you submitted included photographic documentation demonstrating that conditionally exempt small quantity generator (CESQG) waste has been properly labeled at the facility, as well as a standard operating procedure for process flow un-manifested waste reports.

My review of this documentation reveals that Clean Harbors Recycling Services of Ohio, LLC has now abated all violations discovered during the September 15 and 16, 2009 inspection as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-50-58(A), Failure to operate in accordance with the hazardous waste permit application Appendix 3-1 (Waste Analysis Plan)
2.	OAC Rule 3745-54-76, Unmanifested Waste Report
