Dear Mr. Lear:

Thank you for your May 30, 2007, response to Ohio EPA's May 1, 2007, Notice of Violation letter. The documentation you submitted included a description of how Safety-Kleen will comply with the unmanifested waste report requirements, including how the facility will comply with the 15-day requirement in the event that additional analysis of the material is needed.

My review of this documentation reveals that Safety-Kleen has now abated all violations discovered during the March 5 and 6, March 13, and April 11, 2007, inspections as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-54-15(D), General Inspection Requirements (abated 4/11/2007)
2(a) & (b).	OAC Rule 3745-54-76, Unmanifested Waste Report

If you should have any questions, please feel free to contact me at (614) 728-3887.

Sincerely,
