Dear Mr. Hess:

Thank you for your May 30, 2008, response letter to Ohio EPA's May 5, 2008, Notice of Violation letter. Kaiser's timely communication and actions to return to compliance are greatly appreciated. I apologize for my inadvertent delay in sending this response. You provided evidence of corrections related to:

1. **Hazardous Waste Contingency Plan, OAC Rule 3745-65-52(E)**: The contingency plan was properly updated.
2. **Universal Waste Lamp Container Marking, OAC rule 3745-273-14(E)**: Containers of used lamps have been properly marked.

My review shows you have adequately demonstrated abatement of the violation discovered at the Kaiser Aluminum Fabricated Products, LLC Heath facility during my March 31 and April 9, 2008 inspections.

Should you have any questions now or in the future relating to your hazardous waste compliance, please feel free to call me at (614) 728-3885.

Sincerely,

J. David Hohmann
