Dear Mr. Rowley:

Thank you for your time during my follow-up visit to Ohio Fresh Eggs on September 18, 2008 to review actions taken in response to Ohio EPA's January 2, 2008 Notice of Violation letter from my December 12, 2007 compliance inspection at your facility. You indicated that the single violation noted at that time, was corrected shortly thereafter:

**Used Oil Tank Marking, OAC rule 3745-279-22(C):** "Used Oil" marking signage on the 2,000 gallon accumulation tank has been repainted.

This letter serves to document your facility's return to compliance. Should you have any questions now or in the future relating to your hazardous waste compliance, please feel free to call me at (614) 728-3885.

Sincerely,

J. David Hohmann
