Mr. Michael Payne
Intelligrated Products LLC
475 East High Street

Dear Mr. Payne:

On September 13, 2007, Ohio EPA received Intelligrated Products LLC's response to Ohio EPA's Notice of Violation letter of August 22, 2007. The documentation you submitted included statements and photographs demonstrating the used oil accumulation containers were now properly labeled with the words "Used Oil" and appropriate battery management.

My review of this documentation reveals that Intelligrated Products LLC has now abated the violation discovered during the August 15, 2007, inspection as listed below:

OAC Rule 3745-279-22(C)(1), Used Oil Storage Requirement for Generators

NOTICE: Failure to list specific deficiencies or violations in this letter does not relieve Intelligrated Products LLC from having to comply with all applicable regulations.

Should you have any questions, please feel free to contact me by telephone at (614) 728-5037.

Respectfully,

Randy Sheldon
