RE: Washington County
Ohio Oil Gathering
Compliance Inspection
Correspondence (IWW)

Mr. Bob Gerst, State Manager
West Virginia Oil Gathering
157 Lower Eureka Road
St. Marys, WV 26170

Dear Mr. Gerst:

On June 7, 2010, I conducted an inspection at Ohio Oil Gathering's Bell Runs Terminal. The purpose of the inspection was to determine Ohio Oil Gathering's compliance with its National Pollutant Discharge Elimination System (NPDES) Permit. A copy of my inspection report is attached.

The facility appeared to be in compliance with its NPDES Permit at the time of the inspection. I would like to remind you that if a discharge does occur monitoring is required by the NPDES Permit for the discharge. The outfall needs to be checked daily to insure no discharge is occurring.

If you have any questions, feel free to contact me at (740) 380-5434.

Sincerely,

Stephen Wells
District Representative
Division of Surface Water

SW/dh

Enclosure

NPDES
Compliance Inspection Report

A. NATIONAL DATA SYSTEM CODING
