Dear Mayor and Council:

On January 13, ²⁰¹¹2010, I conducted a Compliance Evaluation Inspection (CEI) at the City of Ironton's Water Treatment Plant. The purpose of the inspection was to determine the city's compliance with its National Pollutant Discharge Elimination System (NPDES) Permit. A copy of my inspection report is attached.

A walk through of the facility was done as part of the inspection. During the walk through, no apparent violations of the NPDES Permit were observed. The discharge to the Ohio River was also observed. The city discharges settled solids from the influent back to the Ohio River.

In conclusion, the City of Ironton appeared to be in compliance with its NPDES Permit at the time of the inspection.

If you have any questions, feel free to contact me at (740) 380-5434.

Sincerely,

Stephen Wells
District Representative
Division of Surface Water
