Dear Mr. Wood:

On September 20, 2011, I, representing Ohio EPA's Southeast District Office Division of Surface Water, performed a compliance evaluation inspection of the surface water management associated with the facility. Mr. Jeffrey Hill accompanied me and represented Ohio Power Company during the inspection. The purpose of the inspection was to determine if the surface water management was meeting the terms and conditions set forth in its NPDES permit.

During the inspection, it appeared that the facility was in compliance with the permit. Please see attached inspection list.

Should you have any questions, please feel free to contact me at (740) 380-5266.

Sincerely,

Cynthia Yandrich  
District Representative  
Division of Surface Water
