Re: Lawrence County
City of Ironton
Inspection
Correspondence (PWW)

Mayor and Council
City of Ironton
301 S. Third Street
P.O. Box 704
Ironton, Ohio 45638

Dear Mayor and Council Members:

On July 17, 2007, Jack Knapp and I inspected the installation of new sludge press at the City of Ironton's wastewater treatment plant. The sludge press installation is almost complete with the exception of the installation of the conveyor over to the sludge storage area. The installation appeared to be in compliance with the Permit to Install issued to the City.

On another issue, the City's renewal NPDES Permit becomes effective on August 1, 2007. The City needs to review this permit due to some additional monitoring requirements for sanitary sewer overflows (SSOs) and dry weather overflows, if they occur in the collection system.

If you have any questions, feel free to contact me at (740) 380-5434.

Sincerely,

Stephen Wells
District Representative
Division of Surface Water
