Re: Lawrence County
Rock Hill Local School District
Compliance Evaluation Inspection (CEI)
Correspondence (PWW)

Mr. Wes Hairston, Superintendent
Rock Hill Local School District
2325A County Road 26
Ironton, Ohio 45638

Dear Mr. Hairston:

On August 24, 2011, I conducted a Compliance Evaluation Inspection (CEI) at Rock Hill Local School District's wastewater treatment plant. The purpose of the inspection was to determine Rock Hill's compliance with its National Pollutant Discharge Elimination System (NPDES) Permit. A copy of my inspection report is attached.

As a result of my inspection, I have the following comments:

1. The sand filters had some vegetative growth. This vegetation needs to be removed from the sand filters. Please inform this office when this has been completed.
2. In a follow-up discussion with John Haskins, Mr. Haskins informed me that the trash trap and sludge tanks had recently been pumped.

In conclusion, Rock Hill Local School District appeared to be in compliance with its NPDES Permit at the time of the inspection.

If you have any questions, feel free to contact me at (740) 380-5434.

Sincerely,

Stephen Wells
