Corning, Ohio 43730

Dear Mayor and Council:

We have received your self-monitoring report (Discharge Monitoring Report, or DMR) covering the month of May 2009 for the referenced facility. Our review indicates however, that you did not submit a report for outfall OPA000100588 for May 2009, and also did not submit a DMR for August 2009. This is a violation of the conditions of your NPDES permit.

Please be advised that failure to satisfy the monitoring or reporting requirements of your NPDES permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

Please submit the reports to Ohio EPA. We will enter the information into our database.

If there are any questions, please contact me at (740) 380-5218.

Sincerely,

Dan Messerly  
District Representative  
Permits and Enforcement Section  
Division of Surface Water
