Dear Mr. Hardesty:

On June 25, 2007, I conducted a Compliance Evaluation Inspection at your facility. I was accompanied by you. We discussed the Monthly Operating Reports for your facility and the discharge limits in the NPDES permit. We also discussed in detail the current compliance schedule and the progress of the plant performance evaluation report. Afterwards, we toured the industrial and sanitary waste treatment facility.

Overall, I would rate your facility at this time as satisfactory.

If you have any additional questions or comments, please feel free to call me at (740) 380-5227.

Sincerely,

Scott Foster
