Dear Mr. Hardesty:

On April 8, 2008, I conducted a compliance evaluation inspection at your facility. Also, a compliance sampling inspection was conducted by Ohio EPA Southeast District water quality personnel Randy Spencer and Kelly Capuzzi. The test results for the CSI are unknown at this time. The treatment plant for the facility appeared to be operating satisfactorily. It is noted that the facility has obtained a backup computer system for its waste treatment facility.

If you have any additional questions or comments, please feel free to call me at (740) 380-5227. I will forward a copy of the sampling results to you in the near future.

Sincerely,

Scott Foster
