Dear Council Members:

On June 10, 2011, I conducted a compliance evaluation inspection of the Nelsonville Water Treatment Plant (WTP) wastewater treatment system. Ron Riley, Plant Manager, represented the facility on the inspection. The purpose of the inspection was to determine the facility's compliance status with the terms and conditions of NPDES permit number 01W00082*ED. A copy of the inspection report is attached. The facility appeared to be in compliance the day of the inspection.

If there are any questions, please call me at (740) 380-5284 at your convenience.

Sincerely,

Ms. Abbot Stevenson
Environmental Engineer
