Dear Mr. Ketchum:

On September 22, 2011, I conducted a Compliance Evaluation Inspection at the Hockingport MHP sewage treatment plant (STP) in Hockingport. You, Ray Fasset and Jeff Wilson, STP maintenance personnel, accompanied me on the plant inspection. The purpose of the inspection was to determine the status of compliance with the terms and conditions of the NPDES permit 0PV00014\*CD. The inspection form is attached. No response is required at this time.

The NPDES permit renewal is being drafted at this time. It will be issued as a draft document in the near future. It is strongly recommended that you review the draft carefully and provide any comments within the 30 day comment period.

If you have any questions, please contact me at your convenience at (740) 380-5284.

Sincerely,

Ms. Abbot Stevenson  
Environmental Engineer
