Mr. Mark Esposito, Director  
Belmont County Sanitary Sewer District  
P.O. Box 457  
St. Clairsville, Ohio 43956

Dear Mr. Esposito:

On April 2, 2009, I performed a reconnaissance inspection of the Windemere Properties', Ridges of Olde Cumberland Subdivision. John Dutton, represented Windemere Properties on the inspection.

The purpose of the inspection was to observe the status of the development and the relative location of the Belmont County Country Club to the proposed sewer lines. This sanitary sewer extension from the Ridges of Olde Cumberland Subdivision to the Fox Shannon Wastewater Treatment System sewers will eliminate the sewage problem at the country club. The Permit to Install for this sewer extension was approved by Ohio EPA on March 6, 2009.

The developer is reminded that sewage cannot be generated from the subdivision until the sewer system is completed.

If there are any questions, please contact me at (740) 380-5284.

Sincerely,

Ms. Abbot Stevenson
