Senecaville WWTP  
Compliance Inspection  
Correspondence (PWW)

Mayor and Council  
Village of Senecaville  
P.O. Box 5  
Senecaville, Ohio 43780

Dear Mayor and Council:

On July 2, 2008, I conducted a Compliance Evaluation Inspection (CEI) of the Senecaville wastewater treatment plant. The purpose of the inspection was to determine the facility's compliance status with the terms and conditions of NPDES Permit Number 0PA00089\*CD and the status of the disinfection project. Plant Operator Matt Stiers was present during the inspection.

Adequate aeration was being provided to the two aerated lagoons and the facility grounds were well maintained. The UV disinfection system and the new flow meter were both operational although the factory calibration and setup have not been completed. Initial fecal coliform samples collected in May were within permit limits although a recent sample in June was too numerous to count. Factory calibration and setup of the UV disinfection system and the flow meter should be scheduled as soon as possible to provide the proper disinfection and accurate flow results. Attached for your review is a copy of my detailed inspection report.

If you have any questions about my inspection, please call me at (740) 380-5416.

Sincerely,

Jake Greuey  
District Representative  
Division of Surface Water

JJG/dh

Enclosure

c: Matt Stiers, Operator
