Dear Mr. Kerns:

On May 17, 2011, I conducted an inspection of your facility. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. As a result of the inspection, I have the following comment:

Please assess the used oil area to determine what changes could be made to ensure small spills would not occur. Please submit documentation of the action taken to address the area after the assessment has been made.

Please respond within thirty days from receipt of this letter. If you have any questions, please contact me at (740) 380-5277.

Sincerely,

Aaron Wolfe
