Dear Mr. Crago:

On Thursday, October 2, 2008, Aaron Wolfe, Jack Knapp and I conducted a compliance evaluation inspection of the Latham Limestone wastewater treatment facility located at 6424 State Route 124, Latham, Ohio. Gerald Lee, the site foreman, accompanied us during the inspection and represented the company. The purpose of the inspection was to determine if Latham Limestone, LLC was meeting the terms and condition set forth in the National Pollutant Discharge Elimination System (NPDES) Permit.

At the time of the inspection, the wastewater treatment facility serving Latham Limestone appeared to be operating properly.

A copy of the inspection report is attached. If you have any questions or comments, feel free to contact me at (740) 380-5226.

Sincerely,
