Compliance Inspection
Correspondence (PWW)

Mr. Ken Howard, Owner
Kenwood Village MHP
100 N. Market Street
Waverly, Ohio 45690

Dear Mr. Howard:

On August 6, 2009, I conducted a Compliance Evaluation Inspection (CEI) of the Kenwood Village Mobile Home Park's wastewater treatment plant. The purpose of the inspection was to determine your compliance with the terms and conditions of National Pollutant Discharge Elimination System (NPDES) Permit Number 0PV00021*BD. Mr. Wayne Grigsby, plant operator, was present during my inspection.

At the time of my inspection, the aeration basins were providing good mixing of the wastewater and all sludge and skimmer returns were functioning. Inspection of the filter beds showed all beds to be clean and free of any significant sludge buildup. The effluent was observed relatively clear and free of any objectionable odors.

Attached for your review is a copy of my detailed inspection report. If you have any questions regarding my inspection, please call me at (740) 380-5416.

Sincerely,

Jake Greuey
