Dear Mr. McCorry:

Thank you for your June 23, 2011 response to Ohio EPA's May 31, 2011 Notice of Violation letter. The documentation you submitted included a description of what steps PPG Industries Ohio, Inc. (PPG) will take to comply with the inspection frequencies specified in the permit application for tank storage and the container accumulation area inspection requirements specified in OAC Rule 3745-66-74.

My review of this documentation reveals that PPG has now abated all violations discovered during the May 17 and 19, 2011 inspection as listed below.
