Dear Ms. Robison:

Thank you for your July 10, 2009 response to Ohio EPA's July 7, 2009 Notice of Violation letter. The documentation you submitted included information on additional operator training, as well as a description of what steps the facility took and will take in the future to ensure that PPG complies with the inspection frequencies for spill carts.

My review of this documentation reveals that PPG has now abated all violations discovered during the May 11 and 12, 2009 inspections as listed below.

Letter Citation #	Rule Citation
1.	<b>OAC Rule 3745-52-34(A)(2), Accumulation time of hazardous waste (abated May 11, 2009)</b>
2.	<b>OAC Rule 3745-50-58(A), Failure to operate in accordance with the hazardous waste permit application Section F</b>
