Dear Mr. Green:

Thank you for your March 1, 2007 response to Ohio EPA's January 18, 2007, and February 12, 2007, Notice of Violation letters. The documentation you submitted included the completed work order for the 10-foot seam running W-E between bay 31/40, two weeks of daily inspection forms (2/7/07-2/21/07), and daily inspection form training and sign off sheet.

My review of this documentation reveals that Toxco, Inc. has now abated all violations discovered during the January 11, 2007 follow up inspection as listed below.

Letter Citation #/	Rule Citation
1.	OAC Rule 3745-55-75 (B), Secondary containment and Failure to operate in accordance with the hazardous waste permit section C.7 and permit application section C.2.d
