**Re: Return to Compliance (RTC)**

Dear Mr. Greve:

On October 25, 2007 I stopped by your facility to confirm that Jim's Auto Clinic had followed the instructions for cleanup stated in your January 29, 2007 Notice of Violation letter (NOV). Thank you for taking the time to accompany me around your facility to determine if these corrections were complete.

Based on my observations, It appears that Jim's Auto Clinic has successfully cleared the violations and has returned to compliance with Ohio's Hazardous Waste Rules and Regulations.

Please feel free to call me at (937) 285-6092 in regards to this investigation or any other environmental issues that you may have.

Sincerely,

Larry Dickerson
