**Re: Dee Sign Company; Hazardous Waste; Butler County; OHD987019536;
Return To Compliance**

Dear Mr. Mendoza:

On March 17, 2008, Tom Koch and I representing the Ohio Environmental Protection Agency (Ohio EPA) conducted a compliance evaluation of Dee Sign Company (DSC) to follow-up on the violations described in the December 20, 2007 letter.

1. Weekly Inspections

DSC has returned to compliance with OAC 3745-66-74 and are now conducting and recording the required weekly inspections of the container accumulation area.

2. Universal Waste

DSC has returned to compliance with OAC 3745-273-13(D)(1). Ohio EPA received a written plan for managing universal wastes generated at DSC on January 7, 2008.
