Re: Tedia Co Inc; Hazardous Waste; Butler County; OHD076784040, LQG

Dear Mr. Fugitt:

Thank you for your January 26, 2007 response to Ohio EPA's January 4, 2007 Notice of Violation letter. Along with your letter, you submitted documentation including: an updated emergency action plan, inspection requirements and container inspection records, spill kit inspection records, photograph of used oil container, description of oleum waste disposal, and hazardous waste training requirements.

My review of this documentation reveals that Tedia Company Inc. has adequately demonstrated abatement of all violations discovered during our December 21, 2006 inspection.

If you should have any questions, please feel free to call me at (937) 285-6081.

Sincerely,

Steven Roth, P.E.
Environmental Specialist
Division of Hazardous Waste Management
