On March 23, 2009 I made a site visit to determine if American Micro had taken care of the violations cited on February 23, 2009. It appears that American Micro has come into compliance with Ohio's hazardous waste rules and regulations.

Should you have any questions, please feel free to call me at (937) 285-6092. You can find copies of the rules and other information on the division's web page at <http://www.epa.state.oh.us/dhwm>.
