RE: RTC -Clermont County Engineer -CESQG (OHD987050770)

Dear Mr. Grabowski;

Thank you for your response to my August 18, 2008 letter. I received photographic documentation via e-mail on September 3, 2008 that the universal waste lamps are properly stored and labeled. The lamps are being stored in the storage room in the Facilities Maintenance Building at the Clermont County Filager Road campus.

My review of this documentation reveals that Clermont County has adequately demonstrated abatement of all violations discovered during my August 1 inspection.

Please feel free to call me (937) 285-6090 if you have any questions.

Sincerely,

Tom Ontko
