Re: Return to Compliance-Duncan Oil Company

Dear Mr. Miller:

On October 11, 2007 Ohio EPA received your written response to our May 29, 2007 Notice of Violation letter. This written documentation consisted of a 2005 Annual Hazardous Waste Report.

Based upon a review of this information, Ohio EPA has determined that Duncan Oil has successfully demonstrated abatement of the violation noted in the letter referenced above.

You can find copies of the rules and other information on the division's web page at: <http://www.epa.state.oh.us/dhwm/>. Ohio EPA has helpful information about pollution prevention at the following web address: <http://www.epa.state.oh.us/ocapp/ocapp/>. Should you have any questions, please feel free to contact me.

Sincerely,

Timothy C. Hull
Division of Hazardous Waste Management
