Re: Return to Compliance letter, response to M & H Farm Equipment's December 1, 2007 letter.

Dear Mr. Morris,

Ohio EPA is in receipt of M & H Farm Equipment's (M & H) December 1, 2007 letter responding to Ohio EPA's November 26, 2007 Notice of Violation (NOV) letter. Your response includes an explanation that used oil contaminated soil was disposed of properly including a receipt.

My review of your response reveals that M&H has adequately demonstrated abatement of the violation of OAC 3745-279-22 (D) cited in Ohio EPA's June 22, 2007, October 12, 2007 and November 26, 2007 NOV's.

Ohio EPA's failure to list specific deficiencies or violations in this letter does not preclude M & H from having to comply with all applicable regulations. If you have further questions, please feel free to call me at (937)285-6082.

Sincerely,

Brian Gitzinger
District Representative
Division of Hazardous Waste Management
