Re: RTC Sherwin-Williams Company OHD095198479

Dear Mr. Nieder;

Thank you for your December 4, 2009 e-mail response to my November 6, 2009 Notice of Violation letter. You provided a description of the emergency communication devices you have acquired and you also provided a brief description of how these devices will be used to alert employees of a spill, fire or release of hazardous waste. I conclude based on my review of this information that you have adequately demonstrated abatement of both violations cited in my November 6, 2009 letter. Specifically, you have abated violations of OAC 3745-65-32(A) and OAC 3745-53-34(A).
If you have any questions, please call me at (937) 285-6090.

Sincerely,

Tom Ontko
