Re: JM Smucker Company; Hazardous Waste; Hamilton County; OHR000109595; Return To Compliance

Dear Mr. Morstadt:

On March 20, 2008, the Ohio Environmental Protection Agency (Ohio EPA) conducted an inspection of JM Smucker Company to determine your return to compliance with Ohio's hazardous waste laws and regulations as found under the Ohio Revised Code (ORC) and the Ohio Administrative Code (OAC).

Weekly Inspections

JM Smucker Company has returned to compliance with OAC 3745-66-74 and are now conducting and recording the required weekly inspections of the container accumulation area. Our review of the weekly inspection documentation revealed that JM Smucker Company has been conducting weekly inspections once every seven day period.

JM Smucker Company has corrected all violations described in the January 18, 2008 Notice of Violation letter. Should you have any questions, please contact me at (937) 285-6083.

Sincerely,
