**RE: Return to Compliance, Spring Grove Resource Recovery – OHD000816629**

Dear Mr. Bley:

On May 24, 2010, Spring Grove Resource Recovery, Inc. (SGRR) submitted a class 1a modification to update Section C of the facility's Hazardous Waste Permit. The purpose of this update was to clarify language in SGRR's permit regarding management of waste discrepancies and to mitigate two outstanding hazardous waste violations.

Based on the approved class 1a modification, SGRR has adequately demonstrated abatement of the following violations cited in the May 27, 2008, notice of violation letter:

1. Duty to Comply, Condition A.5 and Ohio Administrative Code (OAC) 3745-50-58(A)
3. General Waste Analysis Plan, Condition B.3 and OAC 3745-54-13

If you have any questions, please call me at (937) 285-6093.

Sincerely,

Cathy L. Altman  
Division of Hazardous Waste Management
