Re: RTC SUN CHEMICAL 12048 Centron Place OHD 004234811

Dear Mr. Jones:

Thank you for your e-mail response to my December 23, 2010 NOV letter. As I requested, you provided a .pdf file of the sign-in sheet with the attendees of your annual hazardous waste refresher training. You provided the training on January 7, 2011 and you sent the documentation to me that same day.

My review of the documents you provided allows me to conclude that Sun has adequately demonstrated the abatement of the violation discovered during my inspection of December 20, 2010.

Please call me at (937) 285-6090 if you have any questions about this inspection or if I can help you in any way to understand and comply with the environmental rules of Ohio.

Sincerely,

Tom Ontko
Hazardous Waste Inspector
